Re: *In re Application of AT&T Wireless f/k/a Cingular Wireless*, 09 Civ. 7072, related to *United States v. Am. Soc'y of Composers, Authors & Publishers*, 41 Civ. 1395

Dear Judge Cote:

We represent AT&T Mobility in the above-referenced matter. We write with ASCAP's consent to request a short extension of time to submit a stipulation of dismissal in this matter and to submit proposed redactions to the parties' various agreements.

As Your Honor will recall, on March 7 we reported that the parties have completed the process of preparing final drafts of the agreements and requested until March 23, 2011 to finalize the agreements and submit the stipulation of dismissal in this matter. We are now pleased to report that the parties have exchanged executed agreements but they require a few additional days to submit to the Court their proposed redactions along with a stipulation of dismissal. The parties therefore respectfully request an extension until March 25, 2011 to submit a stipulation of dismissal in this matter and to submit their proposed redactions.

We thank the Court for its attention to this matter.

Respectfully submitted,
